Experience

Amiran for investment/Muscat-Oman **Present**
Web developer Muscat/Oman
https://www.business724.com/

I am responsible for the continuous enhancement, support, and maintenance of website. Additionally, I actively manage and optimize databases to ensure seamless performance and reliability.

Education

islamshahr applied and science university **2018-09-23 - 2020-03-23**
Bachelor Dropout student, IT
http://esunwh.ir/

My academic journey, marked by determination and adaptability, took a turn due to economic and political conditions. After a year and a half to my studies, I made the difficult decision to withdraw.The resilience and resourcefulness developed during this time led me to emigrate in search of better prospects.

Projects

catalogue & showcase website Present **Present**
